

Players Code of Conduct

I recognize that being a part of The Factory's league carries with it responsibilities and that as an athlete, I must not only embrace those responsibilities, but also conduct myself both on and off the court in a way which exhibits respect for myself and others. I therefore resolve to conduct myself with dignity as an athlete, recognizing and accepting that.

- I must accept accountability for my behavior and its outcomes.
- I must honor my obligations and promises
- I must exercise self-control.
- I must be willing to be fair with others in my dealings on and off the court.
- I must respect the efforts of others.
- I must respect authority
- I must play by the spirit, not just the letter, of the rules of the game and the rules of life.
- I will never argue with an official. If I disagree, have my captain, coach or manager approach the official during a break or after the competition.
- I will control my temper.
- I will be good sport. I will applaud all good plays whether they are made by my team or the opposition.
- I must treat all participants in your sport as you like to be treated. Do not bully or take unfair advantage of another competitor.
- I will participate for my own enjoyment and benefit, not just to please parents and coaches.
- I must respect the rights, dignity and worth of all participants regardless of their gender, ability, creed or religion.
